

REMARKS

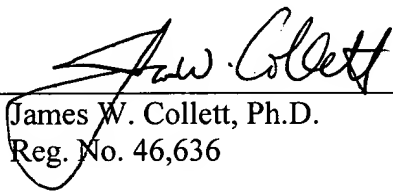

Claims 3-16, 19-27, 30-41, 44-50, and 55-57 were previously allowed in an office action dated January 11, 2005 ("Notice of Allowability"). Pursuant to Examiner Nguyen's request in a telephone conversation on April 20th, 2005, allowed Claims 3-16, 19-27, 30-41, 44-50, and 55-57 have been cancelled and renumbered as new claims 58-102. As such, Claims 58-102, which correspond to the previously allowed claims, with several alterations in independent claims 58, 82, and 102, are currently pending. Bases for these claims can be found throughout the specification, claims and drawings. See the Notice of Allowability. Support for the alterations to claims 58, 82, and 102, are found, for example, in Paragraphs [0033], [0034], [0038], [0039], and [0040]. No new matter has been added and no new search is required.

Applicants respectfully request that the Examiner review the foregoing documents and information and that they be made of record in the file history of the above-captioned application.

Respectfully submitted,

DUANE MORRIS LLP
